

PROJECT TITLE LIST OF 5TH CSE		
DEPARTMENT-CSE		
Sl.No	Project Name	
1	IoT based smart dustbin with weight system	
	IoT based office automation system	
	Biometric attance using IoT	
	Online ticket booking system	
2	Smart mirror	
	Automatic Quotation Display system	
	Fire Fighter Drone	
	Robotic Assistant	
	Maggi Vending Machine	
3	A trend analysis of the the admission into professional course in degree colleges	
	A machine learning based recomender system to recommend professional courses for undergraduate and graduate student	
	An empirical study on the effectiveness of outcome based education in india	
4	IoT based Air Pollution meter	
	College Event Management System	
5	Smart Water Monitoring Using IOT	
	Smart Helmet	
	Automatic water tank	
	Online shopping system.	
6		
7	Online Property Buy Sell Portal	
	IOT Based Air & Sound Pollution Monitoring System	
	Android Book Store	
	Mobile Based Attendance System	
8	Android based multilingual chatbot for student/teacher interaction	
	Android application for resume writing.	
	Hybrid mobile app for docter appointment(IOS/Android compatible)	
	CLIA(Cross Lingual intormation access)search engine for drugs.	
	Smart confrence hall	

Sl.No	Project Name	
9	Smart parking system	
	Smart medical waste management system	
10	placement Drive	
	Transport system	
	Payroll Management system	
	Human Resource Management system	
11	Tourism mangement system.	
	Online cource mangement system.	
	Online shopping cart with recomender system.	
	Talent acquisition search optimization with machine learing technique.	
12	Smart building using IoT	
	Home automation System Using google assistance	
	Bluetooth control robot	
13	Bluetooth control car by Voice recognition system	
	Automatic street light system	
	Health care System	
	smart transport system	
14	Smart Helmet: IOT	
	Automated accident vehicle (culprit) detection system: IOT	
	Tourist places odisha info and Booking:	
15	Home automation using IoT	
	smart health monitoring system	
	Home security system using IoT	
16	A Smart device for girls Security	
	Leave management system	
	Application for GIFT Information System	
	Smart home Automation	
17	Online Hotel management system	
	Bluetooth control robot	
	Online counscling system	
	lot based automatic Door
